Groceries, Plus Service

That's what makes our so popular.

We enjoy doing things for our customers, not only be-
cause it brings business our way but because it's really enjoy-
able work.

We like to make deliveries, to have a real telephone ser-
vice and to supply the best groceries the market affords.

And to suggest to our patrons good things they haven't
discovered for themselves.

One of these things is RYZON Baking Powder.

We recommend RYZON because we know it's such an ex-
cellent baking powder that it will please good cooks. Priced
reasonably at 40 cents per pound.

We also want you to know about: **Our Ferndell
line of Canned Goods, which have proven sat-
isfactory wherever used.**
